MEMORANDUM FOR: Deputy Director of Central Intelligence
THROUGH: Chairman, National Intelligence Council
FROM: Julian C. Nall
National Intelligence Officer for Science and Technology
SUBJECT: Meeting of the Executive Committee of the SIG on Transfer
of Strategic Technology

1. On 12 August, [] and I attended the subject meeting which was called to address the question of domestic safeguards on access to supercomputers. A few of the highlights of this meeting are as follows:

DECL: OADR

4. Overall the meeting was quite indecisive and merely one that allowed strong proponents and opponents to air their views. In a sense the conclusion was "to punt." It was agreed that a follow up meeting would be held in early September for decisions to be made.
